

HIGH ROLLERS

Go! Roll the dice to get started. Choose whether the number rolled goes into the ones, tens, or hundreds column. For example, rolling a "6" would give you the option of placing the 6 in the tens column equaling 60. Add up each of your rolls to try to equal the sum without going over.

CHALLENGE

Sum: _____

Dice Rolls: _____

	HUNDREDS	TENS	ONES
Roll 1			
Roll 2			
Roll 3			
TOTAL
