

MINGO

Go! Roll the MINGO die, then solve a mathematical clue in the M, I, N, G, or O column. Write your initials beneath your answer. Whoever gets the most boxes wins.

M	I	N	G	O
9 using division	2 using multiplication	11 using multiplication	10 using division	7 using addition
4 using addition	34 using Subtraction	29 using multiplication	5 using division	16 using subtraction
17 using division	1/4 using Subtraction	FREE SPACE	7 using addition	6.72 using multiplication
2.375 using multiplication	1110 using division	2/9 using addition	55 using multiplication	79 using multiplication
.13965 using Subtraction	432 using Subtraction	32/9 using division	132.93 using multiplication	98 using division
