

Go! Using the numbers 1 through 16 (each number can only be used once in a square) fill in the square so that all rows, columns, and diagonals add up to 34.

GAME 1

	2		16
13		3	
		10	5
8			

GAME 2

3		13	
15			
		12	9
10			5

GAME 3

			5
13			12
6			
		8	14

GAME 4

15			1
			8
	16	2	
4			14

GAME 5

			9
13			
	16	1	
2			

GAME 6

	7	9	
			6
1			15
5	10
