

Go! Design an afterschool program space in the area below. Think about how many rooms your space will have and what types of activities will occur there.

This image shows a full page of blank graph paper. The grid consists of small, identical squares formed by thin black lines. There are 20 columns and 20 rows of these squares, creating a total of 400 square units. The lines are evenly spaced and extend across the entire area of the page, leaving no margins or additional markings.

$$= 2' \times 2'$$
