

THE CHALLENGE:

Pass through cities
that begin with M

START

Milan, Italy

WORLD TRAVELLER

Maseru, Lesotho

DESTINATION

Set up: At the top of the page, draw a box. Under the box, write a **START** location. At the bottom of the page, write the **DESTINATION**. In the box, write a challenge.

Go! From the **START** point, list in order the cities, countries, and bodies of water you need to go through to meet the challenge and get to the **DESTINATION**.
