TAKING TESTS

MATCHING

Test-Taking Basics

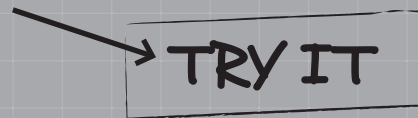

- Read directions carefully.
- Review the whole test before beginning.
- Plan your time. Figure out how much time you should spend on each question. Count how many questions are on the test and how many points each is worth. Spend the most time answering the questions worth the most points.
- Answer the easiest questions first.
- Review your answers.

Matching

Matching questions ask you to match a word, term, or piece of information in one column with a word, term, or piece of information in another column.

Tips for matching items

- Read everything in each column before making matches.
- First match those you are sure of.
- Cross out each item when it's been matched.
- Match each item, unless you get points off for wrong answers.

Which of these things go together? Write the number from an item in column 1 next to the item in column 2 that matches.

Column 1	Column 2
1. MTV	A. ____ Miami Heat
2. Cigarettes	B. ____ music videos
3. Shaq	C. ____ lung cancer
4. Pizza	D. ____ Philadelphia Eagles
5. Football Field	E. ____ pepperoni

Answers: (1) B, (2) C, (3) A, (4) E, (5) D
