

MAD 10

Players Two

Materials Cards ace (or 1) through 9

Goal Get the most cards

- How to Play**
1. Shuffle the cards without looking at them.
 2. Lay them out FACE DOWN in three rows of three.
 3. Player 1 turns over two cards. If they add up to 10, the player takes them and takes another turn.
 4. If the cards don't add up to ten, put them back on the grid, and the next player goes.
 5. Continue until all the cards are gone—except one of them! (Which will it be?)
 6. Player with the most cards wins.
