

SESSION 18

CONGRATULATIONS AND LAUNCH

OBJECTIVE: Students see connections between effort and results.

Award letters in! Share the award letters with students and congratulate everyone! Make copies, if possible, for students to take home. Encourage writing thank-you notes to the Reviewers.

Needs work? If the proposal was returned for revision (it happens!), help everyone get to work right away to make the changes. Get it back in by the deadline given.

Help students get ready to carry out the event. Again, give them as much leadership opportunity as possible. They earned it!

Thank you for allowing us the opportunity to earn extra credit. I think it's a wonderful program and that every student should have the opportunity to be a part of it.

SESSION 19

GO!

OBJECTIVE: Students translate plans into a great activity.

Help students launch the event, and have a great time!

Receipts. Encourage budget responsibility and management by seeing that students keep receipts and turn them in to show expenditures.

Document! If possible, document the event. This will help motivate the next group who does the project.
