

# SCENARIO CARDS

It's the beginning of the school year and your child needs supplies. You have to work and are sending a relative to buy the supplies. You received a 15% off coupon in the mail.

Write a list of supplies and calculate how much money is needed with the coupon.

*(pharmacy)*

You just moved and need to buy new supplies for the bathroom. You have \$50. What will you buy? Make a list.

*(pharmacy)*

You have \$20 to spend on fruit and vegetables this week. What will you buy? Make a list.

*(supermarket)*

You have \$20 to make a cake and dinner for a family member's birthday. What will you buy? Make a list.

*(supermarket)*

You need some new furniture for a baby's room. Set a reasonable budget and then decide what you will buy.

*(home improvement)*

Your family wants to order food for Sunday dinner. You have \$50. What will you order? Make a list. Where would you like it delivered?

*(home improvement)*
