

JIGSAW STORIES

Piece story fractions together to make it whole again.

Players

1 or more, pairs,
or small groups

What You Need

✓ Stories in strips

How to Play

1. Spread out all of the strips face up on a table.
2. Working together, put the story in order.
3. When all the pieces are in place, read it aloud.

Make it a challenge: Mix up strips from two or more stories and sort them out!

Example

Hi, Sokhon, I'm so sorry I'm late.

It's okay. I'm reading a great book, and I didn't even notice the time.

I don't know. Well, it was an ambulance.

Scary. Sometimes I am glad I don't drive.

Think of it, there's no way to guess it's possible.

An accident? Anyone could have been involved.

Not me. I can't wait to get my license. In fact, I am taking my road test next week.

I really am sorry. The bus got stuck in a major traffic jam. There was an accident and everything got backed up.
