Players

2–6

What You Need

- ✓ At least 25 pairs of cards (50 cards)

How to Play

1. Shuffle the cards. Spread them out face down.
2. *First player:* turn over two cards and say what they are. If the two cards match, take them and go again. If they don't match, turn them back over in the same place. Then the next person goes.
3. Continue taking turns until all the cards are matched and taken.
4. The person with the most cards wins.

Note: If a player turns over two cards that match, but doesn't take them, the next player can pick the same cards and take the pair.
