

- Set up other challenges:** longest word, make a phrase, or sentences! Set a group target number of words, using each letter square only once.
1. All players, write your last name on the squares of paper. Put one letter on each square or slip of paper.
  2. With your group, mix them up, face-up, in the middle of the table.
  3. Make as many different words as you can with the letters. You can reuse and rearrange letters.
  4. Keep a list of the words you make as you go along.
  5. How many did your group get? Play again using first names, first and last names, family members, birth months, or other names.
