

WHERE DO WE MEET?

Meet up at the right place.

Players

2

What You Need

- ✓ Copies of a map (one per player)
- ✓ Pencils

How to Play

1. Each player takes a copy of the same map. Together choose a starting point.
2. *Player 1:* Pick a meeting place, and put a dot on the spot without letting Player 2 see it. Tell Player 2 you need to meet in no more than 3 minutes.
3. *Player 2:* Use your map and try to get to the meeting place in the fewest moves. Ask questions like, "Are we meeting north or south of the starting point?", "Should I turn right or left at the end of the street?" Keep going until you reach the meeting place.
4. When Player 2 gets there, pick a new meeting place and direct Player 1 to it.

Challenge: Try this with giving directions rather than asking questions. Try it with only "yes/no" questions and answers.

Example

Player 1: Starting at the Library next to the Train Station, meet me in 3 minutes.

Player 2: Do I go straight on Grant Road or right on 1st Street?

Player 1: Right on 1st Street.

Player 2: What street do I turn on?

Player 1: Turn left on Main Street.

Player 2: Is it on the right or the left?

Player 1: On the right.

Player 2: Are you at the Movie Theater?

Player 1: Yes!
