

# HIDE THE FLY

Hide the fly well, find the fly fast!

## Players

2–5

## What You Need

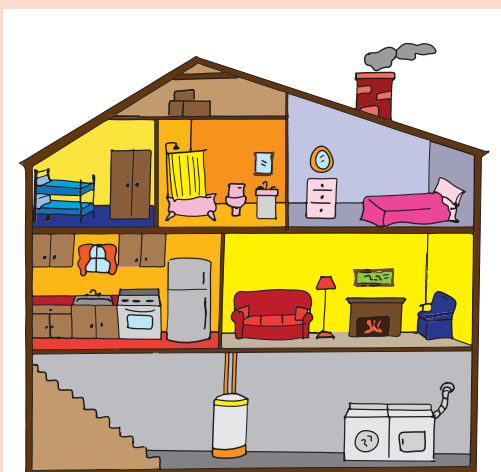

- ✓ Pictures
- ✓ Paper and pencil

## How to Play

1. *Player 1:* You're hiding the fly. Pick a picture. Select a hiding place for the fly. Write a word or two on a piece of paper to say where it is. Don't let anyone see the paper.
2. *Other players:* You're finding the fly. Take turns asking questions that can be answered "yes" or "no" to guess the hiding place.
3. When someone guesses right, Player 1 has to show the slip of paper and point to the hiding place.
4. Whoever finds the fly gets to pick the next hiding place.

**Note:** The player hiding the fly can ask finders to be very specific about locations, like "on the third branch of the tree," not just "in the tree."

## Example

Player 1: Guess where I hid the fly.

Player 2: Is it upstairs?

Player 1: Yes.

Player 3: Is it in the bathroom?
